Assumptions Used in Arriving at Fiscal Estimate <p>Although the rules will newly result in review of documentation relating to designating applicants as eligible for Midwestern Disaster Area Bonds, the time needed for these reviews is expected to be spent by current employees. Therefore, the proposed rules are not expected to have any significant fiscal effect on the Department.</p> <p>The proposed rules are not expected to impose any significant costs on the private sector because the rules address submittal of documentation, and other activities, only by applicants that choose to pursue tax-exempt private activity bonds for the recovery and rebuilding of areas which were declared major disaster areas in 2008.</p>			
Long-Range Fiscal Implications None known.
